Product Code: **AYMF360P-PR**

Lead Time Guide: 1 - 1.5 weeks

OVERVIEW

Pronto Range – dispatched within an exceptionally fast delivery time of 1.5-2 weeks.

A beautiful design with continuous free flowing curves, Ayla is as versatile as it is elegant with a great range of six pastel shell colours to choose from and a collection of bases (steel sled or aluminium swivel on castors for the Pronto version for quick delivery).

Ayla is easy to clean, with smooth surfaces that are specially designed to inhibit the build-up of any unwanted grime or germs.

New for 2024! A sleek black PP shell with the addition of sophisticated black timber legs as a base option.

But that's not all! We've also introduced a black sled base to the chair range and have revamped the underseat components to a sleek black finish, elevating the entire look of the range while perfectly complementing the existing shell options.

Whether it's for breakout spaces, kitchens, or meeting rooms, the Ayla chairs and stools have consistently been a top choice. And now, with these exciting updates, we're expanding the possibilities even further for your projects.

The one piece seat shell flexes gently for added comfort.
